A guide for grown-ups

Choose a short activity that suits your child. Reading and cutting need adult help.

1. Read first

Use the passage guide on page 3. Read the verse in context, then choose a coloring poster and its matching activity.

2. Choose your pace

Use one theme at a time. Children may draw, speak, write, point or work with a helper. There is no score for prayers, feelings or acts of kindness.

3. Print what you need

Choose your paper size and print portrait, single-sided, at 100%. Light card helps the matching cards. Adults handle cutting; no real flame or blindfold activity is needed.

4. Know what is included

Pages 4-9 reproduce six free coloring posters. The paid pack adds coordinated worksheets, cards, journals, puzzles, this guidance and checked answers. It is not six exclusive new coloring designs.

Your purchase allows you to print and use this pack in your own household, classroom or church group. Print as many copies as you need for those settings and give printed activity pages to the children you teach. No separate permission or additional licence is required. Please do not share the digital files, upload them publicly, resell the pack or its pages, or include them in another product.

Give thanks: notice and respond
