PARABLE PRINTABLES

AGES 3–5 + AGES 6–9

Christmas Bible Activity Kit

Color. Cut. Match. Read together.

40 pages · two age groups · parent guide + answer keys

A family printable kit using World English Bible references.

Start here

A little preparation makes the activities easy to use. You do not need to complete the whole kit or follow the pages in order.

Print what you need

Choose A4 or US Letter to match your paper. Print at 100% / actual size. Most activity pages use black-and-white artwork; the cover and small accents use color.

Gather a few supplies

Pencils, crayons, child-safe scissors, glue and scrap card. A grown-up should cut the small pieces and help with folding. Cardstock is useful for matching cards and scene pieces.

Use the right level

Ages 3–5: read instructions aloud and start with matching, counting or coloring. Ages 6–9: invite independent reading, Bible lookups and written answers. Adapt to your child.

Keep a few pages back

The answer keys are on pages 37–39. Keep them for the adult, or use them together after an activity.

Reuse thoughtfully

Slide worksheets into reusable sleeves or print extra copies for children in your own household. If you laminate, an adult should handle the equipment and trim the edges.
