32 printable pages | World English Bible

Exodus 20:1-17 | Family activities, cards, puzzles and answer keys.

Start here

Choose your pages

Start with Exodus 20:1-17 on pages 3-4. Use a coloring-and-copywork sheet, then choose a short activity. The kit is designed for ages 6-9 with an adult; adapt it to your child.

Read together

The coloring page headings are short labels. The Bible quotations below them use the World English Bible. Matching cards also use shortened labels, with references to the full text. Read longer commands in context.

Prepare the activities

You will need pencils, crayons and scissors. An adult should cut the cards. Pages 15-17 form a matching game; use page 18 as an optional sorting mat.

Use the answer keys

Keep pages 30-32 for the adult. Drawing and conversation activities have no single right answer. They are prompts for discussion, not Bible quotations.

Print and use

Choose A4 or US Letter to match your paper. Print at actual size. Household license: print copies for one household. For classroom or church group use contact admin@parableprintables.com.

Artwork and free resources

The ten coloring drawings also appear in our free collection. This kit adds copywork, matching cards, puzzles, activities, reading pages and answer keys. Our free downloads remain free.
